

HOLLISTER BRIDGE  
LIBERTYVILLE, IL

**Project:** Hollister Entrance Bridge Expansion Joints

**Owner Reference:** Hollister

**Location:** Libertyville, IL

**Engineer Reference:** Walker Restoration Engineers

**Scope:**

- Remove and replace the bridge expansion joints
- Concrete at the post-tensioned tendon anchors was removed and re-cast to accept new ADA compliant seals
- Seals were installed in two phases

**Site Conditions:**

- The pedestrian bridge is at the entrance to the Corporate Headquarters
- The entrance had to remain open to pedestrian traffic throughout the project
